EIKO GLOBAL, LLC ANNOUNCES OWEN VANDELDELDE AS LED PRODUCT MANAGER

Shawnee, KS (April 27, 2017) – EiKO Global, LLC, a North American based manufacturer and distributor of first-class lighting products, is pleased to announce Owen VandeVelde as LED Product Manager.

As the LED Product Manager, VandeVelde will be overseeing EiKO's growing LED lamp and fixture portfolio, identifying new product opportunities as well as leading new product development efforts. VandeVelde is joining EiKO following five years at HE Williams where he was a Product Development Engineer, leading the design of outdoor LED lighting fixtures, tunable and human-centric lighting, and the development of third party vendors for LED fixtures.

VandeVelde holds a Bachelor of Science in Mechanical Engineering from Case Western Reserve University and an Executive Master of Business Administration degree from University of Missouri – Kansas City.

"I look forward to working with Owen," said Rick Laird, EiKO President & CEO. "I am certain he will bring a lot of knowledge, expertise, energy and value to EiKO."

About EiKO Global, LLC
